

TRANS, NON-BINARY, & TWO-SPIRIT inclusion plan

Indigenous Engagement Session

The City of Victoria wants to hear from Two-Spirit people, Indigenous trans and non-binary people, and the families and communities that support them about what would make City services, programs, and spaces feel more accessible, welcoming, and safe.

Indigenous-centred service providers are also invited to share about how the City could offer support to improve the accessibility of their services for trans, non-binary, & Two-Spirit people.

Friday, June 7th, 2019
